OUR OBJECTIVES

Our main Safety Objective is to maintain continuous performance without Lost Time Injury.

Other Objectives are also important and targets are set to monitor progress towards achieving them.

To maintain a continuous accident free performance.

To achieve a workforce of staff that has at all times received the training required to carry out their work safely.

To achieve the standards of Health and Safety Management comparable to the best in the Country.
HEALTH, SAFETY AND ENVIRONMENT (HSE)

A GLIMPSE OF PROCAM HSE POLICY & HSE TARGETS

That operations are executed at all times in such a way to ensure Health, Safety and Welfare of its employees and all persons affected by its operations including Vendors and the General Public.

That HSE is equal in priority to other Business Objectives.

That HSE is the responsibility of the Line Management.

That all accidents are Preventable.

To investigate and follow – up all Accidents.

To provide appropriate Training to Staff.

To set high standards which comply fully with or exceed the Laws and Regulations of the Country.
